

Electronic invoice

Dear Sirs,

Since the entry into force of the Tax Simplification Act, are invoices that are received electronically, for example as a PDF document that is received via E-mail; with the classic papers invoices that are sent by post; assimilated. We meet all legal requirements for archiving of E-invoices with our document management system.

If you want to receive with immediate effect invoices in electronic form (with invoice as a PDF document in an attachment via E-mail) so please send us completed and signed this form back.
